Office catering with a purpose

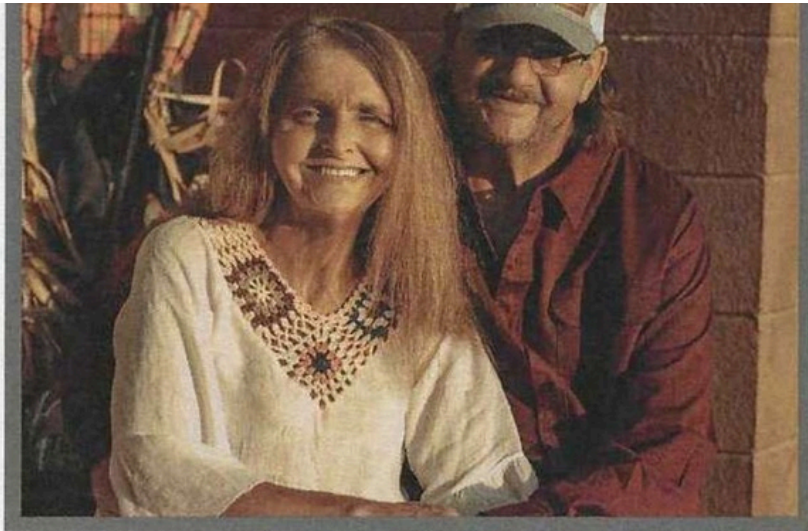

## June 2026 Newsletter The Win for Community

**Our Purpose: Investing in Our Neighbors.** We charge the restaurant a 15% commission—the same as national platforms—and we maintain the exact same menu pricing for our customers. The difference? We keep that wealth local. **We reinvest 50% of our restaurant commission back into the community** by giving 4% back to our loyal customers, up to 2% to referrals, and 1.5% directly to the FCSF charity.

*Florida Cancer Specialists Foundation Financial Aid Recipient*

*"I was diagnosed with stage 3 colon cancer and felt completely lost. Believe me, cancer is expensive, and I didn't know where to turn. The Florida Cancer Specialists Foundation stepped in—not once, but twice—to help with my bills. I am a mother of three teenagers who still need to be cared for and supported through school. They helped me keep the lights and water on and even made sure my car was paid."*
